---

Please indicate your interest in attending one or both events by emailing: bluecarbonpartnership@environment.gov.au

There are no event registration fees. A logistics note will be provided to all participants closer to the date. A formal invitation letter will be provided for visa purposes to nominated representatives.

The Partnership has limited funding, but will strive to support the travel of government representatives from smaller developing countries. Partners will be prioritised for support.

Please note a request for support in your email should you need it.
